## GUARANTEE

Linn State Technical College guarantees satisfaction with the training it provides. Any graduate of the college who is found by either his or her employer or the graduate to lack entry-level skills (competencies) listed in the graduate's records as having been satisfactorily demonstrated may return to Linn State Technical College for retraining with the tuition being waived. This guarantee shall be subject to the following terms:

1. The guarantee shall be good for 180 days after graduation; i.e., the performance deficiency must be identified within 180 days.
2. The graduate must notify the college of his or her intent to return for retraining within 210 days after graduation.
3. The retraining must be completed the first time it is offered as a part of the college's regular schedule after the college is notified of the graduate's intent to accomplish retraining.

## **GREETINGS AND WELCOME . . .** **FROM LINN STATE TECHNICAL COLLEGE**

Greetings and welcome to Linn State Technical College. Since its founding in 1961 as part of a local school district and its transfer to the State of Missouri in 1996, more than

**Dr. Donald M. Claycomb**  
**President**

9,000 individuals have graduated from the college. The college mission is to “prepare students for profitable employment and a life of learning.” Linn State Technical College has strong relationships with business and industry and prides itself on its reputation for producing graduates with the skills, knowledge, and attitudes needed for advancement in the workplace. The values and institutional goal statements included in the mission package of Linn State Technical College reflect a strong commitment to serving our students and the economic interests of the State of Missouri. Understood in these values and goals are the concepts of student access, cost

effectiveness, quality and responsiveness to industry which clearly shapes the planning and delivery of our college services and programs.

We are proud to be the only publicly-supported higher education institution in Missouri with a statewide charge to be devoted solely to technical education at the associate degree level. We invite you to join us and become a member of the Linn State family.
