

Linn State Technical College

2012 Nuclear Technology Program Requirements

Program is an Associate of Applied Science Degree with three options:

- Radiation Protection
- Instrumentation and Control
- Reactor Operations

To be considered for the Nuclear Technology Program, submit all of the items listed below to the Office of Admissions:

1. Application for Admission to both colleges listed below:
 - Linn State Technical College, available online at www.linnstate.edu.
 - Moberly Area Community College, available online at www.macc.edu. Submit the application to MACC as a NONE major with the expected classification/enrollment status of VISITOR and the planned degree as NONE.
2. Education Record - Submit all that apply to you:
 - High School students are given tentative admission based on a sixth or seventh semester transcript. After high school graduation, a final original transcript must be mailed directly from your high school to the Office of Admissions. The final transcript must be in a sealed, unopened envelope (not faxed) and should include the date of graduation, final GPA, school seal, and signature of school official.
 - Missouri GED score reports will be obtained online by the Admissions Office. Faxed copies are not accepted. GED graduates outside of Missouri should request that the State Department of Education in the capital city of the state in which they tested send an official copy of their GED Score Report to the Office of Admissions.
 - Home-school graduates that do not have a GED score report should contact the Office of Admissions for information regarding the "ability to benefit."
 - Transfer students:
 - Students with less than 24 credit hours need to submit college transcripts and high school transcripts.
 - Students with more than 24 credit hours need to submit college transcripts only.
3. Test Scores: All applicants must submit SAT (Critical Reading + Math and Writing) or ACT test scores. Check www.actstudent.org for ACT test locations, fees, and details for registering for the test. LSTC is a testing location and our test code is 5105.
 - Test scores are used for course placement and program admittance.

▪ **Associate of Applied Science Degree Requirements:**

Test	Minimum Algebra Score	Minimum English Score	Minimum Reading Score
ACT	22	18	18
SAT	1030-1150+	430-550	N/A

4. Attend a Nuclear Technology Informational Meeting. Call 573-582-0817 ext. 13605 for meeting times and dates.
5. Rank the Nuclear Technology Program options in order of preference (first, second, and third) on your LSTC Application for Admission. This will increase your chances of admission into the Nuclear Technology program in case your first degree option is full. Nuclear Technology Program options are Radiation Protection, Instrumentation and Control, and Reactor Operations.
