

**BARR ENGINEERING SCHOLARSHIP
LINN STATE TECHNICAL COLLEGE
SCHOLARSHIP GUIDELINES**

GENERAL DESCRIPTION

One scholarship awarded each year to a first year full-time college student enrolled or planning to enroll at Linn State Technical College in pursuit of an associate of applied science degree in Design Drafting Technology. Students who reside in the mid-Missouri area will receive priority consideration.

ELIGIBILITY REQUIREMENTS

- A. Applicant must be enrolled as a first year full-time student (12 hours minimum per semester).
- B. Applicant must enroll the fall semester as a full-time student.
- C. Applicant must be a citizen of the United States.
- D. Applicant must be student in good academic standing with a minimum 2.5 college or high school cumulative GPA, or GED score must be 260 or above.

SELECTION AND AWARD OF SCHOLARSHIP

- A. Selection Criteria. To be considered, applicants must forward a complete application packet, to include letters of recommendation, by the scholarship application deadline. The criteria used to evaluate applications for award will be based equally upon the following:
 - Financial need.
 - Academic achievement.
 - Civic involvement through school and community.
 - Leadership demonstrated through extracurricular involvement.
 - Availability to intern at Barr Engineering Company during summer semester.
- B. Selection Priority. Priority will be given to applicants pursuing an associate of applied science degree in Design Drafting Technology who reside in the mid-Missouri area. In the event a student is unable to fulfill the requirement of full-time enrollment for the fall semester in the year the scholarship is awarded, the scholarship will be transferred to the next available alternate.
- C. Scholarship Award. The scholarship provides \$2,000 during the award year. The scholarship award will be credited to the recipient's account at Linn State Technical College. The scholarship will apply toward the cost of tuition, fees, books, tools, and/or other costs associated with a student's education.

APPLICATION PROCEDURES

Deadline for application is **February 15**. Applicants must follow the procedures outlined below. Applicants will be notified of the status of their application as soon as the scholarship selection committee reaches a decision.

Linn, MO 65051

Scholarship consideration is also based on availability of funds.

EXPECTATIONS OF SCHOLARSHIP RECIPIENT

- A. Upon accepting the scholarship, the student agrees to remain enrolled on a full-time basis (minimum of 12 college credit hours), attend classes regularly, model appropriate behavior and maintain satisfactory academic standing. In the event the student initially awarded the scholarship is unable to fulfill the requirement of the full-time enrollment for the fall semester, the scholarship will be awarded to the next available selection.
- B. In the event the student initially awarded the scholarship is unable to fulfill the requirement of full-time enrollment for the fall semester, the scholarship will be awarded to the next available alternate.
- C. Release of Information. In submitting application, the applicant or applicant's legal guardian grants authority for release of information contained in the application packet for use by Linn State Technical College and Barr Engineering Company in promoting or publicizing the scholarship. If selected, the recipient agrees to participate in ceremonies hosted to honor annual scholarship winners.

If selected, the recipient agrees to send a thank-you letter to the scholarship sponsor. Thank-you letters must be submitted to the Foundation Office at Linn State Technical College no later than one month after award is announced.

To assure consideration, applications must be received by the deadline. Linn State Technical College is an equal opportunity organization and encourages applications from all individuals.
